Colony 47's Vision

A thriving, connected, inclusive and diverse community where there are opportunities for every Tasmanian to live a good life

Colony 47 Values

People first: We see the potential in everyone and invest in them to achieve their goals

Engaging: We are kind, compassionate, and open in the way we engage with ourselves and others

Leading and creating a legacy: We take the opportunity to lead and resolve social issues to create our legacy

Learning and growing: We learn from our mistakes and challenge ourselves to include, listen, learn, and create a better way

Grounded and real: We stay grounded by listening and understanding the stories of people's journeys in life

Happy, healthy, and having fun: We are happy, healthy, and having fun in celebrating people's success

Colony 47 and the PaKT program take the health and well-being of the young people and children that we work with very seriously and we are fully committed to the National Principles for Child Safe Organisations.

"PaKT is fun and friendly! It was valuable one-on-one time with my child, and I was able to learn easy ways to communicate and teach my child about safety, feelings, and more, in a fun way"

"My nan and I got to spend some time together doing fun stuff, and I learned about how to keep safe. It's fun and makes you feel happy!"

Our PAKT Team

Parents and Kids Together is a fun 7 week activity-based program for children aged 6 - 12 years and their parents & carers. Parents & carers work with their children **at school** to create something special together, mainly from recycled materials!

Families also get to take part in group activities about personal safety, emotions, communication, and much more!

There is no need to have art experience for this group. You just need a willingness to have a go and maybe get a little bit messy!

The aim of the program is to strengthen family relationships, make connections to school and community, and to have lots of fun together!

PaKT welcomes all people and provides a judgment-free environment!

The PaKT groups are a fun and safe space for all parents, carers, and kids, where we focus on people's strengths!

PaKT participants and the information they share, are always treated respectfully.

The PaKT program is free and healthy snacks are provided!

Parents and Kids Together provides opportunities to...

- Enjoy one-on-one time with your child at school
- Design and make a creative project using recycled materials
- Make new friends and do some group activities
- Learn about yourselves and learn new skills

If you see us around your school or centre, please feel free to come and say hi, and talk to us about our awesome program :)
